From the SAN Board President:

The SAN Board would like to welcome you to *Later Impressions 2013*, its 25th Senior Artists Network annual juried show. This year we are featuring the works of 39 artists. The show is exciting, and is a fine example of the creativity and vision of older artists, and SAN is proud to be the only art group in the Chicago area with the primary focus of representing older artists.

We extend a special thank you to all of the volunteers who helped to put this show together. First, Pat O'Malley and Howard Frank who co-curated the show, with the support from many of the SAN members and friends. We are grateful to the fine jury who contributed their valuable time to select the works for inclusion in the show. Everyone's hard work has made this show a triumph for SAN.

SAN's 25th anniversary year has been an exciting time. This past year we sponsored a traveling exhibition *Roots of Our Community*, featuring the works of SAN members who live in the 47th ward. Our annual *Members Show* was a success, bringing exhibiting artist members and their friends and family up the North Shore Senior Center in Northfield, IL. Our first exhibition focusing specifically on photography at the Emily Oaks Nature Center Gallery in Skokie was very exciting, in that it brought in new members, and highlighted the works of the talented SAN photographers.

Currently, we are exhibiting at the Scharpenberg Art Gallery at the DANK Haus German American Cultural Center on Western Avenue, on Chicago's north side. Nineteen SAN artists are exhibiting in this beautiful show, which features paintings, sculptures, and photography, and is on display through October 7.

The board of directors is planning a number of exciting events for the next year, and we hope that you all will join us on our next art adventures!

Annette Abajian
SAN President
